Notes

¹ 'Entry' section rates the ease of entry into and theft from the vehicle.

² 'Immobiliser' section rates the security provided by the vehicle's engine immobiliser.

³ 'Vehicle ID' section is a rating based on the number of Vehicle Identification Number (VIN) body stampings on the vehicle, self-voiding security labels and microdots.

⁴ The total score is the result of a weighted calculation combining all three categories. The higher the score in each category the better.
