Our agreement with you

Your contract

Your policy is a contract between you and us and is made up of:

- ▶ your current Certificate of Insurance, and
- ▶ this Product Disclosure Statement (PDS), and
- ▶ any applicable Supplementary PDS.

Certificate of Insurance

Your current Certificate of Insurance shows the insurance cover you have chosen and any optional cover you have under your policy. It also shows the period your policy covers – we only cover you for incidents that happen during this time.

Co-insureds

If more than one person is named as the insured, we will treat a statement, act, omission or claim by any one of these people as a statement, act, omission or claim by all of those people.

Exclusions and conditions

Exclusions and conditions may apply to the cover you have chosen:

- ▶ on pages 17 and 18, we set out the general exclusions that apply to your policy
- ▶ throughout this PDS, we set out any specific exclusions and conditions with the cover they apply to

- ▶ on page 19, we set out your responsibilities when you are insured with us and make a claim.

Special conditions

We may apply special conditions on your Policy that may exclude, restrict or extend cover for a person or a particular matter at the time that you purchase the Policy. For example, we may not cover you for some incidents like a bushfire, storm or flood if they cause loss or damage during a specific period which is also known as an embargo period.

Your current Certificate of Insurance shows any special conditions that apply to your Policy, including the period of any applicable embargo period.

In addition, we may apply special conditions during your Policy that limit your ability to make changes to coverage, sum insured and your Policy terms.

Paying your premium

In return for paying your premium, we provide the cover you have chosen.

You can pay your premium annually or by monthly instalments – for details about how to pay your premium and what happens if you don't pay, see page 30.

Reducing your premium

You can reduce your premium by choosing a higher basic excess.

21 day cooling-off period

You can tell us to cancel your policy within 21 days from when it was issued. If you choose to cancel your policy, we'll refund the premium you paid us in full (as long as you haven't made a claim on your policy).

GST

All dollar values described in this PDS include GST, unless otherwise stated.

Words with special meanings

Some words in the PDS have special meaning. Please refer to the Definitions section on pages 36 to 39 for more details.

For more information about how we work out your premium, the excesses that may apply to your policy and any discounts you may be eligible for, see our Premium, Excess & Discounts Guide by visiting sgio.com.au/help-information/policy-booklets or call us on 133 233 or visit your local branch.

If you do not meet your responsibilities, we may refuse to pay your claim or reduce what we pay for your claim. We may also decide to cancel your Policy. The course of action we take when you fail to meet your responsibilities will be considered in each circumstance based on what impact or effect your failure caused or contributed to the claim or our decision to issue your Policy.

you must:

- ▶ do everything reasonable to prevent further loss or damage
- ▶ co-operate fully with us, even if we have already paid your claim. This may include:
 - you not behaving in a way that is improper, hostile, threatening, abusive or dangerous
 - providing us with all the information, documents and help we need to deal with your claim. If we request

Excesses

What is an excess?

An excess is an amount you contribute towards the cost of a claim.

The type of excess you need to pay depends on what your claim relates to and who was driving your vehicle (Touring Caravan only). Also, you may need to pay more than one excess.

There are 2 types of excesses:

- ▶ basic
- ▶ age (Touring Caravan only).

Your current Certificate of Insurance shows the amount and types of excesses that apply to your policy.

When you make a claim, an excess may apply. If so, we will:

- ▶ deduct the excess from any claim payment, or
- ▶ request you pay the excess to us or, to the repairer or supplier.

If we request you pay the excess, we will tell you who to pay and may require payment as part of the finalisation of your claim.

When an excess applies

If you make any type of claim you must pay any basic excess that applies.

The type and amount of any Policy excess you must pay is listed on your current Certificate of Insurance.

For further details on the amount of each excess together with details on how these excesses are calculated please refer to our Premium, Excess and Discounts Guide located at sgio.com.au/help-information/policy-booklets or contact us on 133 233.

When an excess does not apply

You will not have to pay an excess if:

- ▶ you make a claim for an incident that we are satisfied was not the fault of you or the person who has your permission to use your on-site caravan, touring caravan, annexe or trailer, and:
 - you can provide the name and residential address of the person we agree is responsible, and
 - the amount of the claim is more than the basic excess.

When determining the excess that will apply to your claim we may need to decide if you or someone else is responsible.

To do this we may request additional information – for example witness statements or photographs – and consider any laws, bylaws or rules that apply to the claim circumstances.

If we are unable to determine that someone else was responsible, the excess is payable

- ▶ your touring caravan or trailer is attached to a motor vehicle you own and the motor vehicle and touring caravan or trailer suffer accidental damage in the same incident, and:
 - you have lodged a claim for your touring caravan or trailer under this Policy and we have agreed to pay this claim
 - your motor vehicle is comprehensively insured with us
 - you have lodged a claim under your Comprehensive Motor Vehicle Policy and paid any applicable excesses for this claim.

The No Claim Discount on your Comprehensive Motor Vehicle Policy and the No Claim Bonus Discount on your Touring Caravan or Trailer Policy may be affected.

How we settle a claim

If we agree to pay your claim for loss or damage to your on-site caravan, touring caravan, annexe, contents or trailer, information on how we settle your claim is described in the following sections:

- ▶ repairing your on-site caravan, touring caravan, annexe or trailer
- ▶ if your on-site caravan, touring caravan, annexe or trailer is a total loss
- ▶ settling contents claims.

For examples of how we calculate claims if your on-site caravan, touring caravan, annexe or trailer can be repaired or is a total loss, please see the Claim payment examples on pages 40 to 41.

Repairing your on-site caravan, touring caravan, annexe or trailer

If we agree to repair your on-site caravan, touring caravan, annexe or trailer:

we will:

- ▶ repair or replace that part of your on-site caravan, touring caravan, annexe or trailer which sustained loss or damage
- ▶ pay you the cost to repair or replace that part of your on-site caravan, touring caravan, annexe or trailer that sustained loss or damage.

Matching materials

If the repairs to your on-site caravan, touring caravan or trailer or annexe require materials to be matched we will attempt to return your on-site caravan, touring caravan, trailer or annexe to its former state by matching materials as far as reasonably possible.

however:

- ▶ we will not pay any additional costs for matching materials to create a uniform appearance
- ▶ we will make a fair and reasonable attempt to match the repairs to undamaged areas using the closest matching materials available.

If you are not satisfied with the closest match, you are able to:

- ▶ pay the extra cost of repairing undamaged areas to achieve a matching appearance, or
- ▶ we will pay you the cost to repair the damaged area.

If your on-site caravan, touring caravan or trailer is a total loss

If we consider your on-site caravan, touring caravan or trailer to be a total loss:

we will:

- ▶ pay you the agreed value
- ▶ deduct from any amount we pay:
 - all applicable excesses
 - any unpaid premium
 - the unused portions of the registration and Compulsory Third Party (CTP) Insurance premium that you are entitled to.

If we pay a total loss:

- ▶ your Policy comes to an end and no refund of premium is due to you
- ▶ your on-site caravan, touring caravan or trailer becomes our property unless we tell you otherwise.

Settling contents claims

If you have an on-site caravan or touring caravan policy and you suffer loss or damage to contents:

we will decide whether to:

- ▶ repair an item, or
- ▶ replace an item with the same or similar type and quality, or
- ▶ pay the cost to repair or replace the item, or
- ▶ provide store credits to replace an item from one of our nominated suppliers, or
- ▶ pay the contents agreed value or provide store credits from one of our nominated suppliers to the value of the contents agreed value.

Our choice will have regard to the circumstances of your claim and consider any preference you may have.

however:

- ▶ in settling your contents claim we can nominate the repairer or supplier and the method of payment
- ▶ if we settle a contents claim the content(s) becomes our property unless:
 - the amount we paid for the item is less than its value, or
 - we decide you, or your family member can keep the item(s).

If you are a business registered or required to be registered for GST purposes and entitled to an input tax credit

We will reduce any payment we make by an amount equal to your input tax credit entitlement. This applies to any amount we pay, including where we state that an amount will include GST.

Any payment we make to settle your claim will be considered to be made in full even if the amount we pay has been reduced as described above.

Recovery actions

You agree that following provisions, which appear under the headings **Recovery action by us** and **Recovery action by you** apply where we cover you under the policy for some or all of the loss or damage you suffer in connection with an incident.

Recovery action by us

You agree we may, if we choose to, take steps to recover from someone else we consider responsible for the incident:

- ▶ some or all of the loss or damage we cover; and/or
- ▶ some or all of the loss or damage which we do not cover, whether or not it is covered by another insurer or you do not have cover for it.

You agree we may take such recovery action:

- ▶ without your consent;
- ▶ using your name; and
- ▶ whether or not you have been, or have a right to be, fully compensated for all of your loss or damage by us or anybody else.

Examples of recovery action we may take include:

- ▶ conducting legal proceedings using your name, including as an applicant or plaintiff in representative or group proceedings (commonly known as class actions);
- ▶ conducting legal proceedings on your behalf as a member of representative or group proceedings;

- ▶ taking over the conduct of legal proceedings started by you or on your behalf, including as an applicant or plaintiff in representative or group proceedings;
- ▶ exercising any statutory or contractual rights, including rights to opt-out, that you have in or in connection with representative or group proceedings; and/or
- ▶ entering into contracts in your name in relation to litigation funding or legal representation, including where entry into those agreements causes you to become a group member of representative or group proceedings.

We have in our discretion the right to decide upon the conduct and any settlement of any recovery action we take.

You agree we may exercise all the rights you have in connection with the loss or damage you have suffered in connection with the incident.

Of any amount recovered in recovery action we take, you agree we first keep the amount we have paid, or must pay, you under the policy plus any interest recovered on that amount and any administrative, recovery agent, funding and legal costs we have incurred in taking the recovery action. We then pay you the amount of loss or damage you have suffered in connection with the incident for which you do not have any cover with us plus any interest recovered on that amount and costs you may have been required by us to contribute. Finally, we keep any remaining balance.

You must give us all the information and co-operation that we require to take the recovery action. We will only request information or co-operation which is relevant to pursue the recovery action and we will provide an explanation as to why it is needed.

You must not do anything which prejudices us in taking any recovery action without our written consent. For example, you must not:

- ▶ assign your rights to anyone else; or
- ▶ opt-out of any representative or group proceedings taken by us.

Recovery action by you

You may only take recovery action with our prior written consent and on conditions which we in our discretion impose.

You must have proper regard for our interests in respect of loss or damage that we cover.

You must seek to recover the loss or damage we cover in addition to any other loss or damage you have suffered in connection with the incident.

Of any amount recovered in recovery action you take, you may first keep the amount of loss or damage you have suffered in connection with the incident and for which you do not have any cover with us plus any interest recovered on that amount and any administrative and legal costs you have incurred in taking the recovery action. You then pay us the amount we have paid, or must pay, you under the policy plus interest recovered on that amount. Finally, you keep or pay any remaining balance in accordance with any other obligations you have.

You agree we may:

- ▶ take over the conduct of legal proceedings started by you or on your behalf, including where you are an applicant or plaintiff, or a group member, in representative or group proceedings; and
- ▶ require you to cease recovery action that you have commenced.

Credit provider's rights

If you have borrowed money using your on-site caravan, touring caravan or trailer as security, you may be required to note the credit provider's interest in it.

This may also apply if you lease, or have a hire purchase agreement on your on-site caravan, touring caravan or trailer.

If this is the case, and the credit provider is listed on your current Certificate of Insurance, the cover you have chosen extends to them and the conditions and exclusions also apply to them.

we will:

- ▶ consider your on-site caravan, touring caravan or trailer used as security to be under a finance arrangement
- ▶ if we decide to pay you the cost of repairs or the agreed value of your on-site caravan, touring caravan or trailer, pay the credit provider the lesser of:
 - where applicable, the agreed value listed on your Certificate of Insurance (less any applicable deductions)
 - where applicable, the cost of repairing your on-site caravan, touring caravan or trailer (less any applicable deductions)
 - the balance then owing to the credit provider under a finance arrangement
- ▶ if the credit provider is entitled to the salvage of the on-site caravan, touring caravan or trailer in the event of a claim, deduct the estimated salvage value of the on-site caravan, touring caravan or trailer from any amount that we pay.

however:

- ▶ our ability to pay the claim may be affected if the credit provider fails to provide us with the information we require
- ▶ we will treat any statement, act, omission or claim by you as a statement, act, omission or claim by the credit provider
- ▶ if we pay the credit provider, we no longer have an obligation to you under the claim for the amount paid to them. We may try to recover the amount of that payment if someone else was at fault. We will do this in either your name or the credit provider's name.

More about this Policy

How we work out your premium

Your insurance premium is based on the likelihood of a claim being made on your Policy in the future. There are a number of factors we take into account in determining your premium.

Discounts you may be eligible for

When you take out insurance with us, you may be eligible for one or both of these discounts:

- ▶ Loyalty Discount
- ▶ No Claim Bonus

Your current Certificate of Insurance shows the discounts that we give you. It is important for you to check your Certificate of Insurance to make sure you are getting the discounts you're entitled to and that your personal information is accurate, complete and up-to-date.

We may change the discounts or introduce more discounts from time to time.

Loyalty Discount

Your Loyalty Discount is based on how long you have had a relationship with us and how many eligible policies you have. The longer you maintain your continuous relationship with us and the more policies you hold, the higher the discount you could receive.

No Claim Bonus

We give you a No Claim Bonus to reward you for having a good claims record. We calculate your No Claim Bonus based on your claims history.

For full details on the discounts you may be eligible for, refer to our SGIO Caravan and Trailer Insurance Premium, Excess, Discounts & Helpline Benefits Guide. You can get a copy by visiting sgio.com.au/help-information/policy-booklets or contacting us on 133 233.

Paying your premium

It's important to pay your premium on time. This section outlines how you can pay your premium and what happens if you don't pay it.

Payment options

You can pay your premium:

- ▶ annually in one lump sum, or
- ▶ in monthly instalments by direct debit from an account or credit card you nominate (if we offer this option to you).

Your current Certificate of Insurance shows the amount you need to pay and the due date for your annual premium or for each monthly instalment.

What happens if you don't pay on time

When you take out insurance, you need to pay your annual premium or any instalments by the due date specified on your Certificate of Insurance.

An instalment is unpaid if it cannot be deducted from your nominated account or credit card. If your premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.

If your premium remains unpaid after the time period specified in the notice we send, we will:

- ▶ cancel your Policy for non-payment, and
- ▶ refuse to pay any claim for an incident occurring after the cancellation date.

If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.

If you need to make a claim when your Policy is overdue, and before your Policy has been cancelled for non-payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows we can reduce the settlement payment by the overdue amount.

Making changes to your Policy

If you or we want to make certain changes to your Policy, the following sections describe what you will need to do or what we will do:

- ▶ You want to make changes to your Policy - see this page
- ▶ You sell or give away your on-site caravan, touring caravan or trailer - see this page

Additional premium or Refund less than \$15

When a change is made to your policy, you may need to pay us an additional premium, or we may need to refund part of your premium. If the additional premium we need to charge you is less than \$15, then we'll waive it - that is, you don't need to pay it. However, if the amount we need to refund is less than \$15, then we'll donate it to charity.

You want to make changes to your Policy

If you want to make changes to your Policy:

you need to:

- ▶ contact us first, and
- ▶ if an additional premium applies to the change, you are required to pay the additional premium at the time the change is made. If we make the change before you pay any additional premium, then you must pay the additional premium by the date we tell you it is due or we may remove the change from your Policy. If we cannot remove the change and maintain cover, we may cancel your Policy.

we will:

- ▶ make the change only if we agree
- ▶ issue you with a current Certificate of Insurance
- ▶ refund any amount owing to you.

You sell or give away your on-site caravan, touring caravan or trailer

If you sell or give away your on-site caravan, touring caravan or trailer or part ownership of it, then your Policy comes to an end without any notice to you and you will not be covered.

we will:

- ▶ deduct from the premium you paid an amount that covers:
 - the period that you have been insured for, and
 - a cancellation fee of \$30 (plus GST and Government Charges),then we will pay you what is left of the premium.

You change your on-site caravan, touring caravan or trailer

If you replace your on-site caravan, touring caravan or trailer with a similar one within 14 days of selling it or giving it away:

we will:

- ▶ provide separate temporary cover for the replacement on-site caravan, touring caravan or trailer on the same terms and conditions as set out in your Policy, except that the cover will only be:
 - for a period of 14 days from the date of purchase, and
 - the agreed value will be the purchase price of the replacement on-site caravan, touring caravan or trailer

- ▶ cover the replacement on-site caravan, touring caravan or trailer under this Policy:
 - if within the 14 day temporary cover period you ask us to cover the replacement on-site caravan, touring caravan or trailer permanently and provide us full details, and
 - we agree to cover the replacement on-site caravan, touring caravan or trailer, and
 - you agree to pay us any additional premium we require.

You want to cancel your Policy

If you want to cancel your Policy you must contact us first:

- ▶ if you are paying your premium annually, we will deduct from the premium you paid an amount that covers
 - the period that you have been insured for, and
 - a cancellation fee of \$30 (plus GST and Government Charges),
 then we will pay you what is left of the premium.
- ▶ if you are paying your premium by monthly instalments, you must pay us any monthly instalments due but unpaid together with a cancellation fee of \$30 (plus GST and Government Charges).

You authorise us to deduct these amounts by way of direct debit from the account or credit card you have previously nominated for monthly instalment deductions.

You may cancel your Policy and receive a full refund within the 21 day cooling-off period (see page 5 for details)

We want to cancel your Policy

There may be circumstances when we need to cancel your Policy. We will only do that if the law allows it. If we cancel your Policy:

we will:

- ▶ provide you with written notice, if required
- ▶ refund your unused premium after deducting an amount that covers the period that you have been insured for.

however:

- ▶ if you are paying your premium by monthly instalments, you must pay us any monthly instalments due but unpaid. You authorise us to deduct these amounts by way of direct debit from the account or credit card you have previously nominated for monthly instalment deductions.

We want to give you written notice

If we need to provide you with any written notice regarding your Policy:

we will:

- ▶ deliver it personally, or
- ▶ send it to your last known address, or
- ▶ deliver it by fax or electronically where it is permitted by law, or
- ▶ send you a link electronically through which you can access the notice where this is permitted to by law.

however:

- ▶ it is important that you tell us of any change of postal address or electronic address (if applicable) as soon as possible.
