EXCLUSIONS

Our insurance is designed to provide protection for you in the event of something happening that has been insured against.

Under some circumstances, this policy will not provide any insurance cover to you. For example, if you deliberately damage a Vehicle. It is important that you are aware of these exclusions and so you should read them. In the policy wording these exclusions are shown under 'Section 1 – Defined Events' on pages 9 and 10, and 'Section 4 – General Exclusions' on pages 19 and 21.

There are things that you must do in order for your insurance cover to apply. For example, you must take all reasonable steps to recover lost or stolen property. In the policy wording we show what you need to do under 'Section 5 – General Conditions' on pages 22 to 24.

SIGNIFICANT RISKS

Disclosure

You have certain disclosure obligations that you need to comply with. Failure to comply with these obligations may have consequences in terms of your insurance cover or in the event that you make a claim. Your disclosure obligations and the consequences of not complying with these obligations are outlined in the policy wording under 'What you need to tell us' and 'What will happen if you do not tell us' on page 6.

Excesses

If you make a claim under the policy, you may be required to pay one or more Excesses. The descriptions of these Excesses and the circumstances in which they are applied are shown in the policy wording under 'Excess' on page 7 and the amount of Excess applying to each Vehicle will be shown in your Certificate of Insurance. We take into consideration a number of factors in setting the amount of the variable Excess. These include factors relating to the types of Vehicles being insured including modifications made to the Vehicles, the age and driving experience of people who will be driving the Vehicles, where and how the Vehicles are used, the type of loss covered, the place where your Vehicles are garaged, and your previous insurance and claims history. At the time of your enquiry or application for Motor vehicle fleet insurance, the amount of each Excess will be advised to you.

Costs

The Premium payable by you will be shown in your Certificate of Insurance.

Where we elect to repair a Vehicle through one of our suggested repairers, we may approve the use of non-mechanical reusable parts or *non-genuine parts which:

- Are consistent with the age and condition of the Vehicle;
- Do not affect the safety or the structural integrity of the Vehicle;
- Comply with the Vehicle manufacture's specifications and applicable Australian Design Rules;
- Do not adversely affect the post-repair appearance of the Vehicle and
- Do not void or affect the warranty provided by the Vehicle manufacturer.

In repairing your Vehicle, we may arrange for the repair to be carried out by a specialist service provider, for example windscreen repairs.

We offer a guarantee on the workmanship of repairs authorised by us. This guarantee is for the life of the Vehicle and is in addition to any statutory rights and warranties you may be entitled to. We will arrange for the repairs by us to be rectified at no cost to you if we agree that the repairs are defective. Before we can arrange for the defective repairs to be rectified, you must allow us to inspect the Vehicle. Wear and tear is not covered by this guarantee.

*Non-genuine parts are those parts not manufactured by a supplier to the original manufacturer of the Vehicle.

YOUR POLICY

WHAT YOU NEED TO TELL US

You must tell us everything that you know, or that you should know, could affect our decision to insure you and/or the terms on which we insure you.

You must do this when you apply for a policy, when you renew your policy and when you change or reinstate your policy. When we ask you specific questions, You must answer these questions truthfully and in a way that a reasonable person in the circumstances would answer them. It is important that every person who will be insured by the policy answers all questions in this way. These requirements are part of the Insurance Contracts Act 1984.

WHAT YOU DO NOT NEED TO TELL US

You do not need to tell us anything that:

- reduces our risk.
- is of common knowledge.
- we know, or as an insurer should already know.
- we tell you we do not want to know.

WHAT WILL HAPPEN IF YOU DO NOT TELL US

If you withhold relevant information or you do not answer our questions in the way we have described, we can reduce the amount we pay for your claim, or we can cancel your policy. If your failure to tell us is fraudulent, or your answers are untruthful, we can treat your policy as if it never existed.

WHEN YOU ARE INSURED

Your insurance begins when we accept your application. The commencement date of your insurance will be shown on the Certificate of Insurance that we will send you.

The insurance applies for the period for which you have paid us (or agreed to pay us) the Premium. You may pay your Premium by cash, cheque or credit card. If your cheque or credit card is dishonoured by your financial institution, you are not insured.

If you qualify, you can also pay your Premium by instalments direct from a financial institution account or from your credit card. You cannot make a claim under this policy if you owed us more than one month's Premium when the event about which you want to claim happened.

If you pay your Premium by instalments and you are more than one month behind, we can cancel your policy, with written notice of immediate cancellation.

If you have a total loss, we may deduct the instalments for the balance of the period of insurance from the amount we pay you.
